DPA AMONG CONTEMPORARY ARCHITECTURES

University of Puerto Rico School of Architecture's Dean, Francisco Rodríguez and Darwin Marrero finished their compendium CONTEMPORARY ARCHITECTURE IN PUERTO RICO 1993-2010. URBAN HOUSE and VALLE ESCONDIDO 30 are listed among the selected projects.

FEBRUARY 25 2010

"GEOMETRIA PERFECTA"

Design Magazine OCEAN DRIVE featured a whole article on our residential project VALLE ESCONDIDO 30, discussing the design process and conceptual approach.

DECEMBER 28 2009

"RECUENTO"

VALLE ESCONDIDO 30 made a final appearance in EL NUEVO DIA'S recount of architectural projects featured through the year 2007.

DECEMBER 30 2007

"DE CARA AL SOL"

This Saturday, the POR DENTRO section of EL NUEVO DIA, did a very thorough article on VALLE ESCONDIDO 30, Victor Diaz Paunetto's very own design-built home. We feel very pleased with the results of the project and its public acceptance.
